La meeting was under La direction of La President - a poor struggling young entrepreneur named Roger Russell.

YOUR THOUGHT FOR THE WEEK:

To laugh is to risk appearing the fool.

To weep is to risk appearing sentimental.

To reach out for another is to risk involvement.

To expose feelings is to risk exposing your true self.

~~To place your ideas - your dreams before a crowd is to risk their loss.~~

To love is to risk not being loved in return.

To live is to risk dying.

To try is to risk failure.

But risks must be taken because the greatest hazard in life is to risk nothing. People who risk nothing - do nothing - have nothing and are nothing. (Author unknown)

Holy Willie

SMILE FOR THE WEEK: A Mennonite is a man/woman who can buy from a Presbyterian and sell to a Jew while making a profit.

STOP THAT RUMOUR: The one about women being admitted into Gyro! Who do these people think we are - a bunch of Rotarians?
