**President Gerry** welcomed us to our St. Patrick's day meeting and noted both the presence and absence of green. **Marty Larson** led us in Cheerio and we sounded terrific in our smaller basement room. The blessing was asked by the articulate and very Irish, **Gord Rennie**.

There a quite a few birthdays to note this time. The following are celebrating the turning of another page between now and our next meeting. **Roy Bennett** on March 17<sup>th</sup>, **Ernie Siegel** on March 29<sup>th</sup>, **Dan Lawton** on March 30<sup>th</sup> and **Larry Wang** on April 5<sup>th</sup>. Congratulations to all!

On the sports beat we has reports on the hockey pool and Bocci night.

Game 18 was played on March 14<sup>th</sup> with Toronto at home to Calgary. At the end of the first it was 1:0 for the leafs and 2<sup>nd</sup> Vice President **Gord Robertson** and **Tony Sheppard** took home the money. At the end of the second the score had not changed so 2<sup>nd</sup> Vice President **Gord Robertson** and **Tony Sheppard** came back for more. The final score was 2:1 for Toronto and the winners were **Derek Fisher** and **Al McClure**.

Game 19 on March 21<sup>st</sup> was another thriller with Toronto hosting the Vancouver Canucks. At the end of the first period Toronto had a 0:0 lead and **Mike Matei** and **Graeme Glassford** won. After the second Toronto was leading 1:0 and our winners were **Marion Morstad** and **Cheryl Lawton**. The final was a tie at 1:1 and the big winners were **Mike Matei** and **Moirra Connally**. It looks like **Mr. Matei** switched tickets on us there.

2<sup>nd</sup> Vice President **Gord Robertson** then reported on the Bocci night and, as he so delicately put it, "we got skunked!". Our guests from the St. Albert Club cleaned up, reportedly with a combination of skill and luck. Those who attended really enjoyed the meal and the Bocci and ,even though they stole our hardware, the St. Albert Gyros are a great bunch of guys. On behalf of the

club, President Gerry thanked 2<sup>nd</sup> Vice President Gord Robertson for the effort he put in to organizing the bocci night. This event is a great tradition and all those who attend want to return.

There is a Website on the Internet where you can report on shenanigans of your boss. One person reported that the boss was bragging about his ability to write with either hand. He said "Its great to be amphibious".

On the health of the club, **President Gerry** reported that Walter Yakimets had a hip operation and is now experiencing some back problems. Our thoughts are with Natalie and Ed Edlund, Dick Ogilvie is having some difficulty with one leg, and Rev. Bill Graham is not feeling his best.

With the District VII Interim coming up, **President Gerry** circulated copies of his report to the District VIII executive. There was an opportunity for members to have input into the report.

On free speech, General Pinochet of Chile said "We have nothing against ideas. We're against people spreading them. A sign in Corbett National Park in India says: Notice: Ramganga Rives is inhabited by crocodiles. Swimming is prohibited. Survivors will be prosecuted.
