Greeting from the sunny (but ice bound) shores of Lac La Biche. In the twenty springs I have been coming here, one thing remains constant. Mother Nature is a bitch! This year I have ten inches of ice in my basement, so the score now reads Mother Nature 20, Cornish 0 - maybe next year?

About to be Past President Allan opened the Mayfair noon meeting on April 15, and welcomed 'snowbird retreat' back by having Gord lead Cheerio. Before he had his jacket off, John Dowds said Grace for us.

PYS Roger introduced Bruce Foy as his guest. President Allan apologized to Bruce for the delay in posting him for membership. (Editors note: You aren't alone Bruce, I remember the length of time it took before this motley crew allowed me in.)

Anyway, here is the first posting for Charles Bruce Foy. He and wife Margaret reside at 12032 39A Avenue. Residence phone is 436-7142. Bruce is sponsored by Roger Russell.

Birthday wishes go out to Larry Wang April 5, Wes Van Dusen April 12, Fred Schulte April 13, and Mort Morter and Gord Rennie on April 24. Many happy returns gentlemen!

Bryce told of the busy time at the coast where family and numerous friends helped brother Wes Van Dusen celebrate his 90th birthday. We ask Bryce to pass on our heartiest best wishes.

Bert Boren reported that Haig Lewis is home but Gord Robertson is taking him for therapy following his knee therapy. No further news on Dick Mandlis. Blanche Friderichsen told Bert she was in to have her pacer "tuned up". Bill Agnew is awaiting the results of further tests, as is Natalie Edlund. Best wishes from the Club to each of you.

Plans are still afoot to provide evidence of our 75th Anniversary for our archives.

All right you recalcitrants, John Stroppa says "some dues are due". There isn't a finer cause gentlemen.

Stew Graham is moving into Canterbury Court and we will give you his particulars when he is settled in to his new home.

It is always a delight to be present for the antics of the campaign chairmen of the candidates for election of Directors to our executive. This year was no exception. The truth may have been bent a little but no halos were seen to light up. When the smoke cleared, our new Directors were declared to be **John Dowds** and **Ivan Ivankovich**. Our congratulations to them and our appreciation to **John Plunkett** and **Peter Carter** for allowing their names to stand.

Barry Walker won the draw. Our next meeting is Tuesday May 6th, 1997.

Retread closed our meeting by thanking **Allan Douglas** for the wonderful job he did for us as President of a busy year for our Club. Well done **Allan!**

A clipping from the Edmonton Journal shows a young **Allan Warrack** as a Director of the Capital City Savings. Congratulations, or inquiries on how best to dispose of your shares could happen by calling **Allan** at 434-8206.

Bob Lippe's Hockey Pool reconciliation shows a profit of \$2,238.63. Thank you **Bob** and **Dave Duchak** for the fine job you did for us.
