CONGRATS & ACCOLADES TO OUR SECRETARY JIM HUMPHRIES

Jim and Eva recently returned after a visit to Jim's first love, "North Field School" where he first taught at the tender age of "17". The reunion was held at La Glace as "North Field" no longer exists. Jim (Gentleman as we know him) gave the reply to the "Toast to the Teachers". Our correspondent informs us that he received many standing ovations from the large crowd, which included many of his former pupils. (Edited by Gyern)

NEW CLUB

Our congratulations and welcome to the Northwest Indiana Gyro Club chartered on Saturday, May 19, 1979. The new club was sponsored by Dayton, Ohio and seconded by Chicago, Illinois.

THIS WEEK

President Ernie called upon Gordon Rennie to introduce his guest, son-in-law Allan Warrack, a one-time Cabinet Member of the Alberta Government and now Professor of Agricultural Economics at the University of Alberta.

The President gave a report on the 1979 Gyro International Convention at Salt Lake City, Utah and Boyd Slavik presented a commentary on the Convention Golf Tournament. Congratulations to Beth Siegel who won the Ladies' Golf Tournament.

With so many energy producing reactors developing serious flaws, we are not sure that splitting the atom was a wise crack.

See you in Grand Forks!
