Marty Larson reported on the Red Deer Golf Tournament. Our own **Mike Matei** won the low gross with a score of 78. Congratulations **Mike**. The most expensive shot of the day was **Boyd Tucker's** hole in one. He is from Lethbridge and bought a round or two for all of the Gyros at the tournament.

Mort Morter reported on the Health of the Club. **John Pedden** is undergoing chemotherapy, and **Ed Edlund** is not feeling well. Also, **Dan Lawton** is having a sun spot removed and **Dick Ogilvie** has been having some balance problems and had an MRI on the day of our meeting.

The only birthday in the month of June was **Dick Ogilvie** on June 3. Many happy returns.

Barry Walker informed us that there are 35 signed up for the Gyro Golf Scramble on July 5th. Only a few have paid so far and **Barry** must pay up front. Please get a cheque to him as soon as possible. The cost is \$35 per person for the golf and BBQ.

Barry Walker is also updating our roster. If there are any changes in address etc. please let **Barry** know.

Owen Cornish introduced our guest speaker, Sheila O'Kelly, the Executive Director of World Triathlon 2001 to be held in Edmonton next summer. There is an elite competition for the professionals but there are also age group competitions. The oldest competitor so far was 82.

The World Event will start and end at Hawrelak Park. The first leg is a 1,500 meter swim in the lake at the park. That is followed by a 40 km bike ride and a 10 km run. The whole event will be completed in about two hours. The official opening of the Triathlon will be combined with the Klondike Days Parade. The event is expected to have a \$17 million positive impact on the City of Edmonton.

This year on July 16th, there will be an International Triathlon event in preparation for next year. If you want to attend there will be grandstands erected in the park. This should be an interesting spectator sport so lets get out and support our city.

Bill Agnew thanked our speaker and presented her with a gift to express our appreciation.

The following comes from McFadden's Joke Corner in the Lethbridge Gyrolog. It is a first grade true story.

A first grade teacher was reading the story of the Three Little Pigs to her class. She came to the part of the story where the first pig was trying to accumulate the building materials for his home. She read "and so the pig went up to a man with the wheelbarrow full of straw and said, "Pardon me sir, but may I have some of that straw to build my house?" the teacher paused and asked the class, "And what so you think that the man said?" A little boy raised his hand and said, "I think he said 'Holy Shit! A talking pig'". The teacher was unable to teach for the next ten minutes.

There were two draws. In the first, **VP Larry Dobson** won a free lunch. The second was for two fee tickets to the International Triathlon Event on July 16, 2000 and **Victor Jagoldas** went away happy.

IF there are any more Gyros who would like to receive the Gyrolog by email please let me know and I will add you to the list. Also, if some of you would like to receive the Gyrolog more quickly and you have a fax machine I would be happy to fax it to you when it is ready for printing. For either option, call me at 436-5903.

I missed a very important event in the last Gyrolog. At the Quad Club installation there was a very important presentation by then **President Gordon Robertson**. He had the honour of presenting **Gord Rennie** with his 50 year Gyro Membership Plaque. It was a wonderful opportunity since Gord is also a member of the other clubs and he was honoured with all his Gyro friends to witness. Congratulations Gordon!!!

Upcoming Events

For our next meeting on June 20th, Roy Bennett has arranged for Elizabeth Dechert, the Director of Capital and Strategic Planning for the University of Alberta to tell us about the south campus development. The **Gyro International and District VIII Convention** will be held in Winnipeg July 13 – 16, 2000. The Convention hotel is the historic Hotel Fort Garry. Many of the Edmonton Gyros who attend the convention are planning further fun and friendship after the Sunday breakfast. **John and Helen Ross** are organizing a week in Killarney after the convention. There will be cabins for those who want to spend a week (or less) with Gyro friends. There is a terrific golf course in Killarney and other attractions nearby. If you are interested in participating in this Gyro week please contact **John** or **Helen**.

The Gyro Club of Sherwood Park is hosting the **District VIII Convention** from August 24 to August 27, 2000 at the Fantasyland Hotel.
