

THE GYROLOG

THE GYRO CLUB OF EDMONTON
— EDMONTON — ALBERTA

January 16, 1985.

NEXT MEETING

Tuesday January 22, 1985. Edmonton Petroleum Club 12.15 p.m.
Dr Roger Amy, Associate Professor of Pathology at the University of Alberta, will speak to the club and show slides of his involvement in unlocking the mystery surrounding the demise of the Franklin Expedition. Dr Amy performed the autopsy last summer on John Torrington, who was Chief Stoker on Sir John Franklin's ill fated expedition.
PLEASE PLAN TO ATTEND AND BRING A GUEST.

COMING EVENTS.

Bert Boren reported that plans are being made with the Gyrettes, to have a Valentine Dinner, to be held on Tuesday February 12, at the Royal Glenora. Please mark your calendars now- more details and information to follow in next bulletin.

GYRO DISTRICT VIII & INTERNATIONAL CONVENTION. July 11 - 14, 1985.

This is one convention that you should attend at Coeur d'Alene, Idaho, for at least two reasons. First because it is our district convention and deserves our support; and secondly because the International Convention is also taking place, which will afford you the opportunity of meeting our International Executive in person. They are a great bunch, who work hard for Gyro on behalf of each one of us. If you plan on attending the convention, PLEASE give immediate priority to sending in your registration NOW, particularly if you hope to be staying at the North Shore Motor Hotel, the centre of all the action.

Mort Morter reported that several registrations have already been submitted and more are expected. Don't miss out on that good accomodation. REGISTER NOW and let's have a good representation from our club and support our 2nd Lt-Governor Marty Larson.

BIRTHDAYS Harry Mills, whose birthday was on January 5, said that he was 36, someone asked if he meant 36 summers and the same number of winters.

Nelles Buchanan- January 23. Bob Kerrison- January 28.

It has been said that old age is not so bad when you think of the alternatives.

HOCKEY SWEEPSTAKES WINNERS.

THIS WEEK

A warm welcome was extended to our guests; Bill Agnew, introduced by his father Jack; and Andy Larson, a visitor from Malaysia, was introduced by his brother Marty. Belated congratulations were extended to Gyro Alex Campbell and his Gyrette, Cathy, who celebrated their 50th wedding anniversary on September 1, 1984. We wish you good people many more happy years.

MEMBERSHIP. Tom Douglas, sponsor and Marty Larson, seconder, introduced a new member to our club in the person of Rodney C Ziegler, who was officially welcomed and formerly inducted into our club by Past District 8 Governor Gordon Rennie. Rod was born in Hanover Germany in 1949, when his father Bill, then Brigadier, was still serving with the Canadian Armed Forces following W.W.II. Rod received his education in Canada and has been mainly employed in the newspaper business. At present he is the Business Manager of the Edmonton Journal. Rod is married and his wife's name is Gretchen. Welcome to Gyro Rod, we wish you a long and happy

PTO

association in our fraternity of friendship.

President Allan read a letter he had received from long time member Gyro Stan Smith, stating that he noted our newest member Rod Ziegler was the business manager of the Edmonton Journal. Stan pointed out that two former members of our Gyro club had also been a business manager of the Edmonton Journal. The first, Tom Brown (twice President of our club) and then Offa Rogers, who took over the position when Tom joined the armed forces. Thanks Stan for the interesting info.

The winner of the draw was Roger Russell.

The efficiency expert will tell you that if a farmers boy can pick six quarts of cherries, in a hour, and a girl five quarts, the two of them together will pick eleven quarts. But any farmer knows that the two of them together won't pick any.

The male lecturer was addressing a woman's club. Among other things, he told the ladies that the best way to get along with their husbands was to mother them "and now", he concluded, 'who will promise to try it ?' A stocky, well-built female in the back of the room got to her feet at once. "Ah", beamed the lecturer, " I am glad to see at least one woman who will go home and try to be a mother to her husband." "Mother!" rumbled the bulky one. "Did you say mother? I though you said smother"

And so for now, before we get smothered

Gyjack and Gygord.

FLASH HOLD THE PRESS. LATE ADDITION
