Howard and Amy Wilson left for their winter home in Yuma, Arizona on Sunday, November 6, 1983.

The Winner of the draw was Al McClure.

With all the recent controversy between the Feds, the Provinces, and the C.M.A. on health care re extra-billing and hospital user fees the following may point the way to beat the high cost of medical treatments.

At his wife's insistence, Gold finally went for a medical checkup.

"You look terrible," said the doctor. "Do you drink?"

"Why, yes," said Gold. "I start every day with a bottle of schnapps."

"And with that cough," the doctor continued, "you are probably a smoker."

"You bet," said Gold. "Three packs a day for me."

"Look, Mr. Gold," the doctor said. "You're not a healthy man. You're going to have to give up smoking and drinking right away, and that's an order. And before you go, that'll be fifty dollars for my advice."

Replied Gold: "Who's taking it?"

So much for medical advice and good health.
