

THE GYROLOG

THE GYRO CLUB OF EDMONTON
— EDMONTON — ALBERTA

30 September 1992

OUR LAST MEETING was held on Tuesday September 15th - same location - same chairman, Pres. John Ross - same song leader, Harry Mills, and same Padre Bill Graham - but with a new blessing.

Gyro David Burnett brought a friend for lunch, and we were pleased to meet and greet, once again, Pat Millard.

BIRTHDAYS - The birthdays announced at this meeting included, two under the sixth sign of the Zodiac, Bernie Brown on 13 September and Vern Sadd on September 19th. then there are three under the seventh sign: Tom Douglas and Gordon Robertson, who share the same date of October 2nd; while Roger (PYS) Russell celebrates on October 5th.

Our best wishes to you all. Count your blessings for the past years and may you enjoy good health and happiness in the years to come.

HAPPY ANNIVERSARY to Russ and Millie Shepherd who will be celebrating their 35th wedding anniversary on October 12th. Congratulations & best wishes - have a great day!

COMING EVENTS - A NIGHT AT THE RACES - as reported in the last 'log, this mixed gathering has been arranged by John Stroppa, for Tuesday evening October 20th at Northlands Track. Cost is \$16.00 per person (racing tips not included) was to have been paid to John by 22nd September. If for some unimaginable reason you have not sent him a cheque, please do so NOW.

CALGARY GYRO CLUB ANNUAL INSTALLATION PARTY will take place on Saturday 3rd October 1992, at 6.00 p.m. at the Blackfoot Inn, Calgary, Ab. The Calgary Club are great hosts and you would be made most welcome. If you plan on attending please call John Ross right away.

GYRO FOUNDER'S NIGHT - as previously reported this all important gathering will be held on Wednesday evening October 21, 1992, at the Regency Hotel. Cocktails at 6.00 and dinner at 7.00 p.m.

The Sherwood Park Gyro Club are this year's hosts, with Fred Anderson, John Williams and Don Greig in charge of arrangements, so it should be a great evening. We understand that the keynote speaker will be 1st Lt-Governor Len Cary of the Stampede City Gyro Club.

This is one of the two annual Gyro events that we should all regard as an obligation to attend. Consequently there should be a good representation from all 4 Gyro clubs in our area. We look forward to seeing some of "the saints" from St. Albert come marching in!

THE CROSSROADS GYRETTES will be holding a mixed WHIST DRIVE on Friday October 30th, at 7.30 p.m. at the Highlands Masonic Hall, at 5526-118th Avenue, Edmonton. The cost is \$6.00 per person, which includes sandwiches, coffee and some great desserts. The girls run their own bar - and the price is right!

This is always a good mixer and fun evening, a good time to invite guests. All Gyros & Gyrettes are invited to attend, but you must call either Kay Murray at 489-5759 or Marg Bellman at 435-4509, no later than October 25th, so they can determine the attendance figure.

EDMONTON OILER NIGHT, on 2 November an inter-club meeting will be held at the Sturgeon Golf Club in St. Albert starting at 6.15 p.m. At this time we do not know the names of the guest speaker and player personnel, but this will be reported in the next bulletin. This meeting will replace our regular noon luncheon meeting on November 2nd.

CURL-A-RAMA - GYRO DISTRICT VIII - will be held on November 6, 7, & 8th 1992. Host, Stampede City Gyro Club. Place Banff, Alberta. Accomodation at the Voyager Inn, 555 Banff Avenue.

Price: No change from last year. \$130.00 per curler, which includes the following:-
Curling - minimum three games: 2 nights hotel accomodation (sharing): 2 breakfasts:
Gyro hospitality on the Friday evening includes drinks and food.
Saturday Night Banquet and entertainment. No host bar.

This is always a great Gyro week-end - and one you won't want to miss. Mike Matei is looking after entries from our club, so make sure you give him your name. So far Mike reported he has six curlers ready to go but hopes to at least double that number, like last year.

For incomplete rinks, assistance will be provided by the Stampede City Club organizers in getting other curlers to make up a rink(s).

OUR GUEST SPEAKER at our last meeting on September 15th, was Mr. Sidney Hanson, a licensed pilot and a member of the Edmonton Regional Airport Authority, who was introduced by Gyro Roy Bennett.

Mr. Hanson spoke on the rather controversial issues concerning the Edmonton Municipal and the International Airports. He spoke at some length about his views on the advantages and the disadvantages that could result by retaining one airport or merging the two. At the end of his talk he invited questions on the subject and received a very good response from our members.

Gyro Ivan Ivankovich thanked Mr. Hanson on behalf of our club, for his talk and the fine manner in which he dealt with the question period.

GYRO BLUE GOLF SHIRTS - quite a number of our members have them, they are the ones with the Gyro logo and your name on them; which we wear to conventions and inter-club events. It seems some who don't have would like to get one, so if you are interested, please call Dick Ogilvie at 432-0912, so that your name can be placed on an order list.

GYRETTES CORNER - the very active Gyrette Club's Executive for 1992-93 are, President Millie Shepherd: Vice President Sharon-Lynne Matei: Imm. Past President Elaine Douglas: Secretary Alice Glassford, and Treasurer Pat Sharp. Our belated congratulations ladies; may you have a happy, successful year on the friendship train.

We are told that your next Gyrette meeting will be held at the Mayfair Golf Club on Tuesday evening, 13 October 1992. Cocktails at 6.00 and dinner at 6.30. It is reported that your guest speaker will be Mr. Steve Hogle, who will tell you about his recent trip to Japan.

SMILES & CHUCKLES - Response ability!- during a long and boring address being delivered by an opponent in the House of Commons, the late Sir Winston Churchill slumped forward in his seat, closing his eyes. Thereupon the speaker said in a loud voice, "must you fall asleep while I am speaking?". Still with his eyes closed, Churchill replied, "no, it's purely voluntary".

Repeat Performance - as he was driving home from work, a man in a rural community was stopped by a local police officer. The motorist, informed that he had failed to come to a complete stop at a stop sign, was handed a ticket. "Don't I get a warning" he protested. Sure, here's your warning" replied the officer, "if you don't come to a complete stop the next time, I'll give you another ticket".

VOX POP - Good supervision is the art of getting average people to do superior work. (Dave)
For fast acting relief, try slowing down. (Owen Cornish) (Burnett.)

If you want to get along with people, pretend you never knew whatever they tell you. (Dave)
A company announced it would pay employees \$100.00 for suggestions that would (Duchak)
save money. The first response was a suggestion that hereafter, the prize be cut to \$50.00

The smallest good deed is better than the greatest intention. (John Boychuk) (Ed Edlund)

Bumper sticker of the month. "Women are born leaders, you're following one now". (Bill Agnew)

MAGIC RECKONING - try this: take your house number and double it. Add five. Multiply by half a hundred, then add your age (if you are under a 100). Add the number of days in a year and subtract 615. - the result - the last two figures will be your age and the others will be your house number.

THOUGHT FOR THE DAY
