THIS WEEK (23)

President Mort welcomed Jack Jones as our visitor. It is always nice to have him visit and keep us on the right track .

The election for Directors for a two year term , resulted in having Larry Dobson and Merrill Morstad elected to fill those vacancies.

Congratulations to both these members.

Mort put out a plug for as many as could attend the District 8 Convention in July at Cranbrook, to back up our member Marty Larson for Governor.

Mort also mentioned that arrangements were being made to have our picnic for the Family at Fort Edmonton Park on June 8, 1986.

Allan Warrack moved that our club act as hosts for the International Convention, and the District 8 Convention in our 75th anniversary year 1996.

Now that the season is starting you might be interested in that Vampires only play Baseball at night 'cause thats when the bats come out. Some people dont know much about common labor. They think that a crowbar is where crows go to drink.

one who thinks by the inch and talks by the yard needs to be moved by the foot.

Do you know that the worker who spends most of the time watching the clock usually remains one of the hands.

and so for now.

Cheerio
