Letter from a Boss to his Employees

The population of Canada is 22 million, but there are 7 million over 65 years of age leaving 15 million to do the work. People under 21 total 10 million leaving 5 million to do the work. 2 million government employees leaves 3 million to do the work. Five hundred thousand in the armed forces leaves 2,500,000 workers. Deduct 1,250,000 provincial, municipal and city employees which leaves 1,250,000 to do the work. There are 250,000 people in hospitals, asylums, etc. leaving 1,000,000 to do the work. But 700,000 of these are unemployed and 200,000 are on welfare or won't work, so that leaves 100,000 to do the work. Now it may interest you to know that there are 80,000 people out of the country at any one time and 19,998 people in jail so that leaves just two people to do the work. And that is you and me, Brother, and I'm getting tired of doing everything by myself!

SO LET'S GET WITH IT.

Marriage is like a Cafeteria; you take what looks good to you, and pay for it later.

Cheerio, see you on Tuesday.
GYJACK.
