Now more from **Marty Larson** on what we learn as we get older. TWELVE it is hard to make a comeback when you haven't been anywhere. THIRTEEN the only time the world beats a path to your door is when you're in the bathroom. FOURTEEN if God wanted me to touch my toes he would have put them on my knees. FIFTEEN when I'm finally holding all the cards, why does everyone decide to play chess?

Once again we had the pleasure of having a new member installed into the Edmonton Gyro Club. 2<sup>nd</sup> Lt. Governor **Gerry Glassford** installed **Harry Nash** who was then warmly welcomed by all of the members in attendance. As has become the custom, **Harry** told us about himself and his many experiences in the RAF, in business and in life. **Harry** worked for **Bryce Van Dusen** who was his sponsor in Gyro. In 1973 **Harry** started ABS Casino and he retired in 1994.

He who has the fastest golf cart never has a bad lie. The real reason the pro tells you to keep your head down is so you can't see him laughing at you.

**Al McClure** introduced our guest speaker, Elizabeth Taylor from Travel Alberta. Her interest is in having us travel within our province and to enjoy the many exciting adventures we can have here at home. She talked about the many events that take place over the summer and advocates a stay at home holiday. **Bill Agnew** thanked the speaker on our behalf.

Treasurer **John Stroppa** presented the Financial Statements for the year ending March 31, 2001, and Budget for the Club for the year ending March 31, 2002. Both were passed unanimously. Also a motion was passed to charge guests who are not potential members of the club the full meal cost of \$11.00. This reflects what we pay at other clubs.

Elizabeth Taylor drew for a fee lunch and **Gerry Glassford** was the lucky one.
