Grow old along with me;
The best is yet to be.
The last of things
For which the first was made,
To which I have aspired, but failed.
Still comfort me.

THIS WEEK (27)

President Al McClure suggested that members make a point of visiting places of interest in and about the city such as the Provincial Museum, Polar Park, the Muttart Pyramids, or the Devonian Botanical Gardens. Too often, he said, visitors know more about the places of interest than do the city dwellers. He stated that he had recently paid a visit to Fort Edmonton Park to observe especially the use made of Gyro Playground No. 10. He was particularly heartened by the fact that the playground was literally loaded with youngsters and every piece of apparatus - swings, teeter-totters, merry-go-rounds etc. were getting use.

Governor Marty suggested that any member who might be in Calgary on Monday, October 6, 1986 should attend the Stampede City Gyro Club meeting when Dave Henderson of International will be a visitor.

On a show of hands a majority of members were in favor of four or five evening meetings during the year.

Dave Burnett won the draw.

With school now well started your set of text books should include a good
