A very fitting ending to a very successful convention and a very fitting celebration of our 75th anniversary took place on Edmonton's "River Queen" on the pleasant evening of Tuesday, July 23rd. Some 90 plus Gyros, Gyrettes and friends enjoyed a different view of our city wearing it's summer best. The pleasantries began at dockside when the co-chairs of the convention presented our ladies with a red, red rose. The usual happy sound of Gyros having fun was further enhanced with good food and entertainment. The co-chairs **David Burnett** and **Marty Larson** again graciously acknowledged the wonderful support they had received in putting on the Gyro International and District VIII Convention. Several lucky ladies received cuddly bears and others beautiful centerpieces. (Okay, our favourite silversmith also received a "Blanche bear.") Our president **Allan Douglas** (with humour and grace) kept the program on track. He and his number one Gyrette are off on holidays in the Ontario outback. He left a cellular phone number, but wasn't sure that he would have the energy to even receive calls on it. (Your reporter might give out this number in exchange for suitable golf scramble prize(s).) **President Allan** suggested a convention summation when all the evaluations are in. Approximately 565 people took part in this memorable event.
