On March 15 some 80 odd Gyros and Gyrettes from the three area clubs attended dinner and theatre at Stage West. A short comedy with exaggerated effects and incidents, the Second Time Around, starring Gale Gordon, was good for many laughs. It was a tale of how the two seniors outwitted the younger members of their respective families, who on both sides were opposed to their marriage. The ruse was not revealed until the final scene.

(over)

Following the final curtain call Mr. Gordon paid tribute to the all Canadian supporting cast for their fine acting. It was a privilege, he said, to work with them.

Our sincere thanks to Dave Webber who made all the arrangements for this entertaining evening.

The favorable critique is nectar and ambrosia to stage players, but a negative critique is the bane of their existence.

The following put down may illustrate.

The visiting star at an up state New York summer theatre boasted to the local manager. "I'm so popular in New York City, they're going to name a new cigar after me."

"Yeah?" yawned the manager. "Well, I hope it draws better than you do!"

So much for theatrics.
