THIS WEEK

President Ken welcomed the presence of Herb Hamly who spent the Christmas season with family and friends in Edmonton. He plans to return to his winter haven in Mesa, Arizona early in the New Year.

A lively discussion took place on the payment of honoraria to members who take part in out-of-town Gyro functions such as Golf Tournaments, Bonsai Installations, District Interim Meetings, and District and International Conventions, etc. The consensus was that provision could be made in the Annual Budget for an amount from which some payment could be made to each of those who represent the Club at these functions.

The winner of the draw was Dick Ogilvie, who, with a well developed sense of the occult, picked his own ticket from the hat.

Press the braking of the foot as you roll round the corner to save collapse and tie-
