Della Shramm, wife of **P.I.P. Warren Shramm** of London, Ontario.

Marty also brought an attractive (blue in color) Gyro International golf shirt. At \$30.00 you should have at least two.

The Mayfair noon meeting June 20, 1995 saw Gyos and their guests in top form, if insults and hilarious put-downs are the criteria for a good meeting.

President Mike called on **Harry** and **Rev Wm** and again they were in fine voice for Cheerio and the blessing.

Roger (the Russeller) introduced two guests: **Terry Dewhurst** and **Morly Becker** who more than held their own in keeping Roger in line.

President Mike's guest, **Peter Carter**, of Carter's Travel, was equally at home and certainly held up his end of the conversation. He has promised us something for our Golf Scramble in August.

Reverend William's guest was **Art Gregg**.

There were no birthday announcements but the club's best wishes went to **Howard and Amy Wilson** who recently celebrated their 60th wedding anniversary.

This is the third posting of proposed new members:
1) **Joseph M Bagach** (wife **Helen**) of Stony Plain;
2) **Rev John Dowds** (wife **Debbie**) of Edmonton.

Bert Boren's Health and Welfare report included **Andy Carabott** who recently underwent surgery and **Mary McLaughlin (Menzies)** a long time Gyrette who recently passed away.

Marty Larson informed us of the passing of two cancer victims, **Mary Ann Braun**, First Lady of District IX and wife of **Governor Larry Braun** and

Past President Barry says that LaFleche's will be calling shortly for Gyro jacket fittings.

John Ross, a recent returnee from the land of the heather, introduced our speaker. **Myrna Fyfe's** impressive resume includes that of teacher (NWT), alderman (St Albert), MLA (for St Albert - two terms) and presently President of the University Hospital Foundation. Her slide presentation included her involvement in the "Festival of Trees". She also stressed the need to retain the highly qualified medical personnel which we now have at the University Hospital. **Myrna** emphasized the importance of skilled professionals and scientists who make programs such as the Stroke Research Program world class.

Larry Dobson and a warm round of applause thanked **Myrna** for her presentation.

Roger Russell won the draw -- one of his guests yelled "FIX!!"

Next meeting at the Mayfair will be the American 4th of July when **William Vincolecetto** will speak on "Privatization of Liquor Outlets in Alberta."

Thought for the day

You can buy a man's time; you can buy his physical presence at a given place; you can even buy a measured number of his skilled muscular motions per hour. But you can not buy enthusiasm . . . you can not buy loyalty . . . you can not buy the devotion of hearts, minds, or souls. You must earn these.
